BACK COVER:
6.175 INCHES

Width of whole document (with wrap around): 14.49 inches
Width of whole document (without wrap around): 13.09 inches

HINGE: 0.5 inches

SPINE: .74 INCHES ... Spine text should face this direction

Height (with wrap around): 10.6 inches
Height (without wrap around): 9.2 inches

Yellow=Margins: Don't let text overlap into the yellow areas.

Red=Wrap Around: Make your background go all the way to the outer edge of the red area, or you may have unwanted white lines on the edges. This area will wrap around the cover board.

White=Design: Keep all wording and important artwork (except for your background) inside the white area.

Blue=Spine: Keep all text inside the blue area.

Green=Hinge: Keep all text outside the green area.

Steps:

1. Design your cover on this template
2. Save your InDesign file for future editing
3. Select **File > Adobe PDF Presets > Press Quality** to create a print-ready PDF
4. Go to **Marks and Bleeds > Bleed and Slug > Check box "Use Document Bleed"**
5. Examine the resulting PDF carefully before sending it to us

Note: The template colors, lines, and text are set to "Non-Printing." If they appear in your PDF, repeat the steps above, but be sure the "include non-printing items" option in the Export dialog box is UNchecked.
